

## COMPUTER DONATION GUIDELINES

Please Note: These guidelines apply to computer donations that will be used by Martha's Table staff and/or those that will be sold to the public through our Martha's Outfitters community thrift store. Computer donations should go through the regular Martha's Outfitters donation process.

Minimum requirements for Desktops and Laptops to be donated:

- Computer desktops and laptops need to include their power cable.
- All software included on the system must have license validation.

Should be free from all personal/business information (delete personal information, Internet cookies, email, personal applications, temporary files, bookmarks, cache files, and profile folders).
