

Important Update Affecting Joyful Food Market Volunteers

As a program that is funded by the government of the District of Columbia through the D.C. Department of Health, our Joyful Food Markets are currently subject to the [Mayor's Order 2021-099](#), which introduced vaccination requirements for District grantees. In compliance with this order and effective immediately, **all volunteers who sign up for a “Joyful Market” shift with Martha’s Table must be fully vaccinated against COVID-19. Volunteers must submit proof of vaccination to MT’s Volunteer Engagement email account - volunteer@marthastable.org. Please note that full vaccination is reached *two weeks* after receiving your final dose of a COVID-19 vaccine.**

We thank you for your continued commitment to protecting the health and safety of all those in our communities. Please do not hesitate to contact us at volunteer@marthastable.org should you have any questions about your eligibility to volunteer. As always, you may visit marthastable.org/volunteer to view available service opportunities.

Sincerely,
Martha’s Table
