

DISTRICT DADS

A supportive space where dads and father figures come together to share their stories and focus on personal development.

- An award-winning fatherhood curriculum taught in a supportive learning environment just for dads and father figures.
- Weekly classes- food, child care, and transportation provided for each class.
- Workforce Development and Apprenticeship opportunities.
- Connections to early childhood education programs and family support programs, such as cash assistance, food, health and wellness support, diapers, baby formula, and clothing.
- Family Field Trips outside of the community each month, including overnight camping and team building.
- Emotional Wellness and Mental Health Development

 **TUESDAYS, 6-8 PM**
